

# The Home Service

48 Heaton Moor Road, Heaton Moor, Stockport, SK4 4NX 0161 432 3782

Home Service was founded in 1992. Since then the number of Christian home educators known to us has grown quite rapidly. Various groups have met for workshops and conferences, small and large. We have enabled families to meet and support each other. But we would like to see much more than this. We would like to see Christian home education become a movement. We would like to see it widely accepted and encouraged within the Christian community. And in these days when the family is under attack from all quarters, we would like to have in place an organization that will help us pull together when we need to.

To this end in 1995 we converted Home Service into a membership organisation. We believe that its formation strengthened the cause of Christian home education in this country by drawing various initiatives together. The income generated enables us to promote further initiatives, for example, in curriculum development.
